

April 25, 2021

Dear Parents,

We are all going through a very difficult time, like so many others in our country and the world. Even those of us who are safe and well at home live in constant apprehension of what may happen.

In the light of the emerging situation we suspended classes from April 20 to 25. Since that was an abrupt discontinuation, we intend to resume online classes from April 26 onwards, for Classes Nursery to Class X and XII, for a period of two weeks, and continue till May 07. Remedial classes and Activity classes (Music, Dance, Art and mass PT), will be held during these two weeks. Besides this, projects/holiday homework, etc. will be discussed in detail and assigned to the students.

The school will be closed for the summer vacation from May 08, Saturday to June 08, Tuesday (both days included) and reopen on June 09, Wednesday.

The stream allocation details for students of Class XI, academic session 2021-22, will be shared soon.

Meanwhile, we need to pray and help one another in every way possible and also follow all protocols to keep ourselves safe and well.

Warm regards,

Susan Jacob
Principal
